Special Process Approval in accordance with UTAS – Wolverhampton Standard 981-151-005.

This letter supersedes all previous approval by date of issue.

Any changes affecting the above classifications and/or Company Management structure, Quality Management System or location must be notified to the undersigned without delay. This approval is conditional upon compliance with UTC ASW Standard 981-151-001 and maintenance of a satisfactory standard of supply. This will be subject to periodic audit and review.

Would you please acknowledge receipt of this letter, confirming that you understand the conditions of approval?

Yours faithfully  
For UTC Aerospace Systems

D Coley  
Supplier Quality Assurance  
On behalf of the Quality Systems Manager
